

## Coop Birthday List Report Version 1.1 Add-On Program

Product Code: **BDAYLIST**

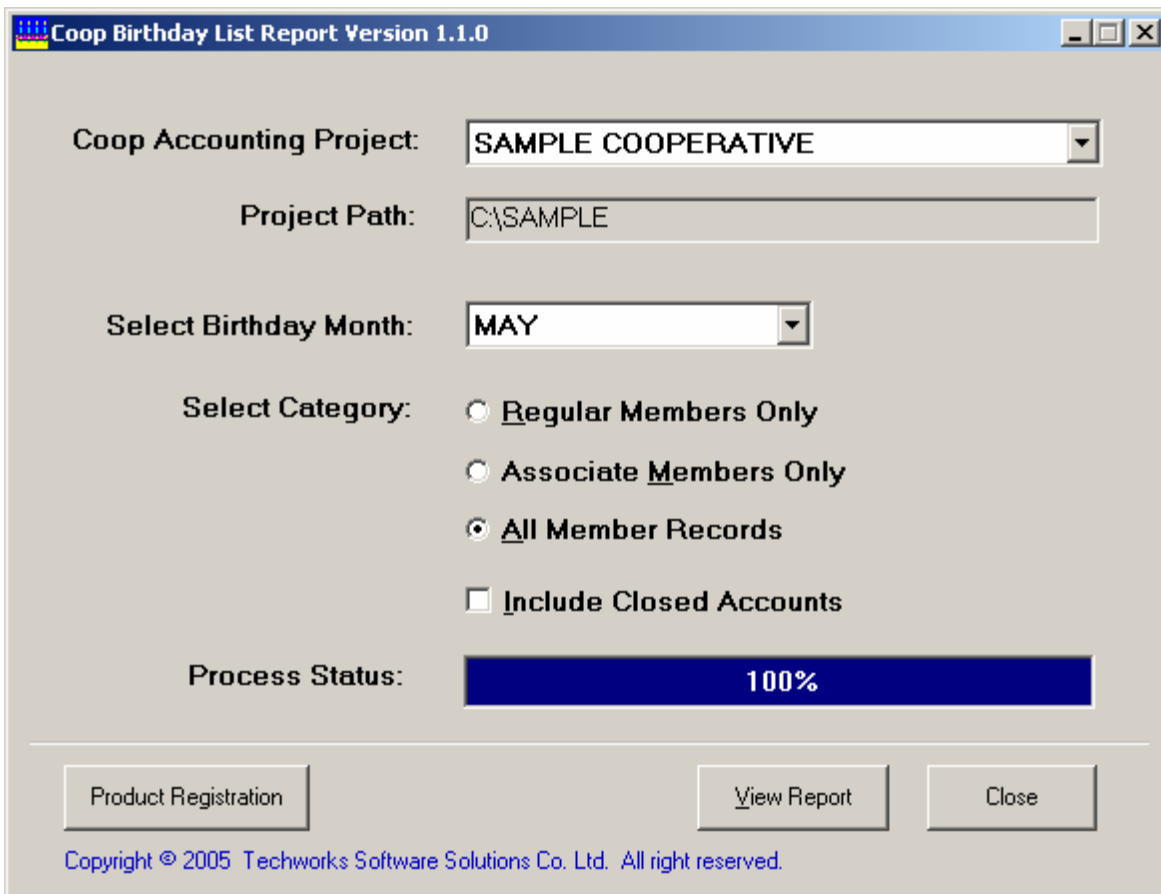

### Product Features:

This add-on program is for your Accountant or the System Administrator of the Coop Accounting Software to be used for generating the Coop Birthday List Report every month. The report will show the members' codes and names, date of birth, age, and gender.

### Benefits:

- ✓ Automates the process of generating the Birthday Listing every month.
- ✓ The report is grouped by Member Category – Regular and Associates.
- ✓ The report can be exported to other MS Office Applications, like MS Excel.
