

Coop Statistics Report Version 2.1 Add-On Program

Product Code: **COOPSTAT**

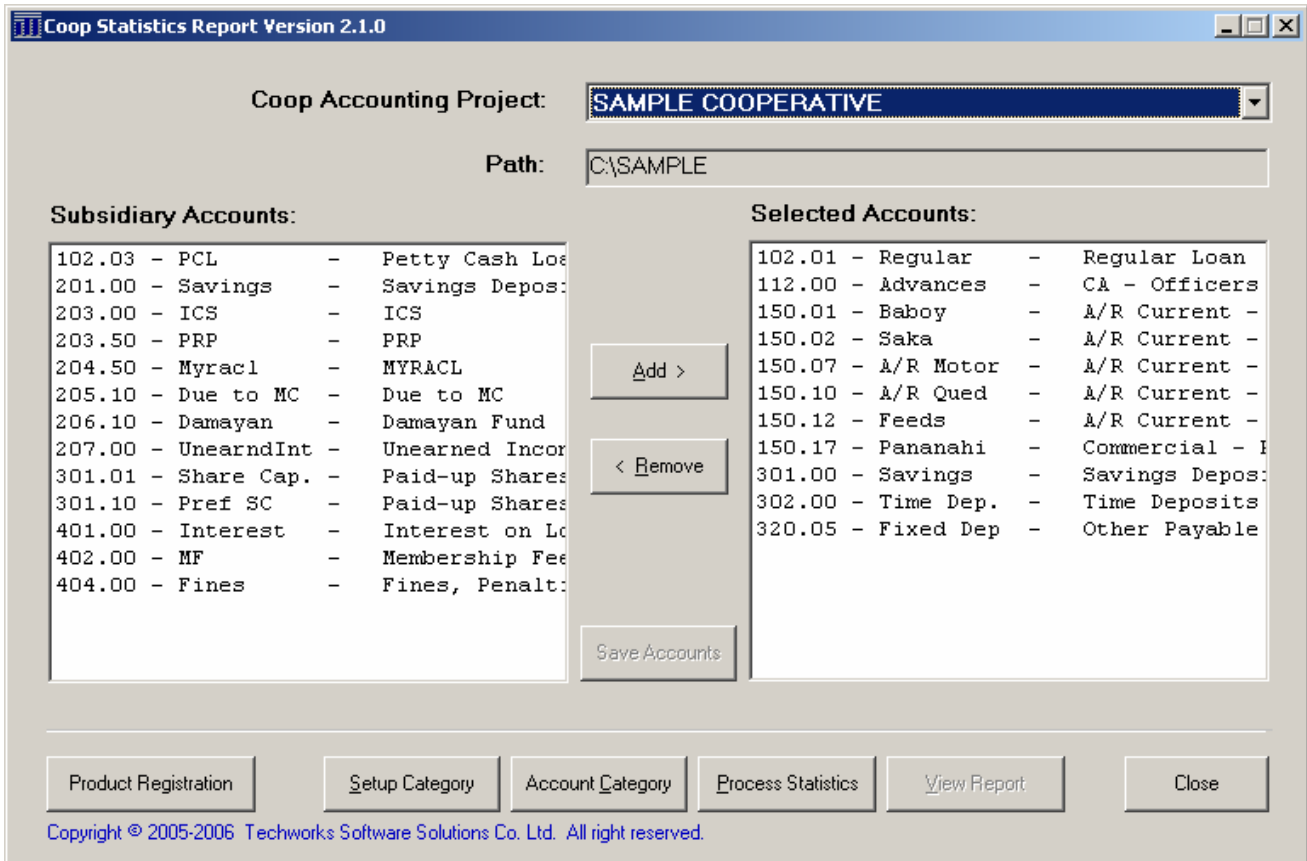

Product Description:

This add-on program is for your Accountant or the System Administrator of the Coop Accounting Software to be used for generating the Coop's Monthly Gender Statistical Report. The report created will show the statistics based on various categories, such as: By Subsidiary Accounts, By Date of Membership and By Birthday, By Member's Category Defined, By Member Types Defined, By Occupations Defined, and By Income Levels Defined. You can use this report as part of the Gender Integration Report requirement of the CDA Office.

Benefits:

- ✓ Automates the process of generating the monthly gender statistics report.
- ✓ Completes the Gender Integration Report required by CDA Office.
- ✓ Categories of the Report can be defined by the User
